I m still learning that everything comes around.

Nothing ever comes for free,

I m trying hard and you need to believe,  
**G** **A** **Bm**  
You didn t bring me up to be a fool.  
**G** **A** **D** **A**  
But still I wait, can I just say

**G** **D**  
Hello mother, hello father,  
**Bm** **A**  
Can you hear me? Can you see me?  
**G** **D** **Bm**  
I m trying to be better, is it working?  
**A** **G** **D** **Bm**  
Am I ever going to make something of myself?  
**G**  
Put the past upon the shelf,  
**D** **Bm** **A** **G**  
I m looking for a place to start, I m just a young heart.

(Repeat chord pattern)  
There s no regrets, just unwanted memories  
Can we please just forget what we said?  
Shake my hand I m with you til the end  
But still I wait, can I just say  
I can t make it on my own, I need you by my side

Hello mother, hello father,  
Can you hear me? Can you see me?  
I m trying to be better, is it working?  
Am I ever going to make something of myself?  
Put the past upon the shelf,  
I m looking for a place to start, I m just a young heart.  
I m just a young heart.

Sitting at the water s edge, my reflection s not so clear,  
I thought by now in my life I d have overcome this fear

Have I done right by you?  
Have I done right by me?

Hello mother, hello father,  
Can you hear me? Can you see me?  
I m trying to be better, is it working?  
Am I ever going to make something of myself?  
Put the past upon the shelf,  
I m looking for a place to start, I m just a young heart.  
I m just a young heart.  
I m just a young heart.
