

Broken Inside
We As Human

Dsus2
I m not ready yet
Dsus2 **A**
To say goodbye to you
A **Bm**
So many things that I wanted to do
Bm **G**
Like hold you close until you love me to
Dsus2
I don t understand
Dsus2 **A**
Just why you re letting go
Bm
I know you d love me if you only knew
Bm **G**
I am not a monster growing inside of you
A **Em**
Now I cry, Broken inside
Dsus2
Now everything in my world seems wrong
A
Life is not a game
Em
For boys and girls to play
Bm
And simply change the rules
Dsus2
When it don t turn out your way
E **Dsus2**
What gives us the right?
D **A**
To end a child s life
Dsus2
All your excuses can t remove the pain
G **Dsus2**
That they feel when we decide to take their breath away
Ama j7
So just close your eyes
D **A**
Pretend they re not alive
Bm
All of your lying can t destroy the truth
Bm **Dsus2**
It s babies that we murder with our right to choose
A **Em**
Now I cry, Broken inside
Dsus2

Now everything in my world seems wrong

A

Life is not a game

Em

For boys and girls to play

Dsus2

And simply change the rules

When it don t turn out your way
