### Hope

## We Came As Romans

Chords for an acoustic version of Hope by We Came As Romans. Standard tuning and capo on

the first fret (no capo also works, but it sounds closer with a capo). Play chords

relative to the capo. The A can also be replaced with Em, whichever one you prefer.

Tabbed by lafawafa, hope you enjoy!

```
G
                      F#
Α
Fade away in my dreams
Don t fade away
Bm
We won t fall to our knees
We are the one true hope
So give me an answer
Are you in or you out?
          Α
We are the one true hope
            F#
So give me an answer
We all fall, crawl out of the fear you re in
F#
Don t give up
Bm
We won t fall to our knees
We are the one true hope
                    Bm D
             F#
So give me an answer whoa whoa
             F#

So give me an answer, now whoa whoa
          F#
Give me an answer
Bm
Stand up
You have a voice to be heard
            Α
You re worth more than words
           G F#
So let your fire burn
Oh, your flame will be lit
Again when a candle is burned at both ends
                   F#
And there s nothing left
Bm
You can change
       D
You can become selfless
                 G F#
```

```
You re not set in stone
You will wade through mistakes that we all make
                  F#
But just hold on
F#
Don t fade away (hold on)
We won t fall to our knees
         Α
We are the one true hope
