

**Come Back  
We Shot the Moon**

This is in the original key of the song. I listened to it and tried to figure out the chords myself. I m not entirely sure whether the chords for the chorus and the bridge-ish part are correct, though. If there are any mistakes or whatever, please let me know. :)  
Nevertheless, enjoy. :D

---

Intro: **Bb F Gm Bb F Gm**

**Bb** **F** **Gm** **Bb**  
Please will you come back to me  
**F** **Eb** **Bb**  
I was a fool just to leave you hanging  
**F** **Gm** **Bb F Eb**  
If courage is all I need to find you  
**Bb** **F** **Gm** **Bb**  
When will the snow melt away  
**F** **Eb** **Bb**  
And all the pieces will fit together  
**F** **Gm**  
Now I ve got so much to say  
**Bb F Eb** **Bb F Eb**  
I need you, gonna find you

Chorus:

**Bb** **F** **Gm**  
Looking for angel, are you angel  
**Bb** **F** **Eb**  
Looking for angel help  
**Bb** **F** **Gm**  
Calling for angel, are you my angel  
**Bb** **F** **Gm**  
Calling for angel help

**Bb** **F** **Gm**  
Come back, come back, come back to me  
**F** **Eb**  
I cannot make it without you  
**Bb** **F** **Gm**  
On my knees, oh, won t you please  
**Eb** **F**  
Come back to me  
**Eb** **F** **Bb** (to intro chords below)  
Come back to me, dear friend
