Check Yes Juliet
We the Kings

Check Yes Juliet by We The Kings

C# - x46664
A#m - x13321
F# - 244322
G# - 466544

[Verse1:]
C#
Check yes Juliet, are you with me?
A#m
Rain is falling down on the sidewalk
C#   **F#**
I won t go until you come outside
C#
Check yes Juliet, kill the limbo
A#m
I ll keep tossing rocks at your window
C#   **F#**
There s no turning back for us tonight

C#
Lace up your shoes
C#
A O A O ah
C#
Here s how we do

[Chorus:]
           C#
Run baby run
      A#m   **F#**
Don t ever look back
          G#
They ll tear us apart
C#   **A#m**   **F#**   **G#**
If you give them the chance
                  C#
Don t sell your heart
       A#m   **F#**   **G#**
Don t say we re not meant to be
          C#
Run baby run
    A#m   **F#** **G#**
Forever will be
           C#

You and me

[Verse2:]
Check yes Juliet, I ll be waiting
Wishing, wanting yours for the taking
Just sneak out and don t tell a soul goodbye
Check yes Juliet, here s the countdown
3... 2... 1... you ll fall in my arms now
They can t change the locks
Don t let them change your mind

Lace up your shoes
A O A O ah
Here s how we do

[Chorus]

[Bridge:]
```
C#                            A#m
```
We re flying through the night
```
                              F#
```
We re flying through the night
```
    G#       C#
```
Way up high,
```
              A#m                      F#
```
The view from here is getting better with
```
    G#       C#
```
You by my side

[Chorus]
Run baby run
Don t ever look back
They ll tear us apart
If you give them the chance
Don t sell your heart
Don t say we re not meant to be
Run baby run
Forever will be...

```
          C#
```
Run baby run
```
      A#m          F#
```
Don t ever look back
```
           G#
```
They ll tear us apart
```
C#        A#m              F#      G#
```
If you give them the chance
```
                  C#
```
Don t sell your heart
```
      A#m          F#                 G#
```
Don t say we re not meant to be
```
           C#
```
Run baby run

```
    A#m              F#     G#
Forever will be
        C#    A#m
You and me
        F#     G#
You and me
        C#    A#m
You and me
        F#    G#
You and me

C#
```

[If you want you can play it without the # i just think it sounds better.
have funn]
