This is my first tab i think its about 95% Correct Email me your comments and if there any corrections.

(Verse 1)

D

I m only sure of one thing
That s you right now

Cadd9

I hear your voice
And what we talk about

G

And I m trying to say
It won t come out

E

Yeah I m trying to fix this broken mouth

(verse 2)

D

And I m wishing that I could take your hand

C

And set you on some untouched land

G

Just so you are never sad again

Cadd9

And the world you have known will somehow end

(Pre- Chorus)

E

G

Cadd9

There s a beating to your heart

E

G

Cadd9

That I just can t be apart

(Chorus)

D

E

I can feel the rain fall down on us together

Cadd9

Just wait for the sunshine

G

Let s wait for the new day

(When we can t get away)

D

E

It s me and you held close together

Cadd9

Hold on for the long ride

G

This won t be easy, tonight

(Verse 3 + 4 chords same as verse 1 + 2)

To hear my voice and know that I am here

I m always there to wipe away your tears

I lay your hair behind your gentle ear

And tell you there is nothing more to fear

You are the reason I am the best I ll be

So let me stitch your heart so it won t bleed

And I won t rest until you finally breathe

Cause I still love you more than anything

(Pre-Chorus)

There s a beating to your heart

That I just can t be apart

(Chorus)

I can feel the rain fall down on us together

Just wait for the sunshine

Let s wait for the new day

When we can t get away

It s me and you held close together

Hold on for the long ride

This won t be easy, tonight

(Bridge)

D Cadd9 G

I can feel the rain fall down

D Cadd9 G

I can see the clouds leaving town

D Cadd9 G

I can tell your life s turned around

D Cadd9 G

And I can hear you singing so loud, now

Interlude

D - E - Cadd9 - G

D

E

I can feel the rain fall down on us together

Cadd9

Just wait for the sunshine

G

Let s wait for the new day

When we can t get away

D

E

It s me and you held close together

Cadd9

Hold on for the long ride

G

This won't be easy, tonight

Thanks.
