

i ll be loving you until

**C** **G**  
morning s first light

breaks tomorrow

**F**  
i ll take care of you tonight

**F** **G**  
secret valentine

[Chorus]

**C**  
We ll write a song

**G**  
that turns out the lights

**Am** **F**  
when both boy and girl start suddenly shaking inside

**C**  
don t waste your time

**G**  
speed up your breathing

**Am**  
just close your eyes

**F**  
we ll hope it s not for nothing at all

[Bridge]

**Am**  
when guilt fills your head

**Em**  
brush off rise up from the dead

**G**  
this is the moment that we

**C**  
will come alive

**G**  
brace yourself for love

**Am** **F**  
sweet love, secret love.

[Chorus]

(stay really quiet with the strumming here if you want to strum at all until the  
dont  
your time part)

**C**  
We ll write a song

**G**

that turns out the lights

**Am**

**F**

when both boy and girl start suddenly shaking inside

**C**

don't waste your time

**G**

speed up your breathing

**Am**

just close your eyes

**F**

**C** (hit once and let ring)

we'll hope it's not for nothing at all nothing at all
