We Won The Science Fair**

Artist: We Won the Science Fair  
Song: Shady Faces in Shady Places  
Album: The Acoustic Sessions

The entire....

**Ebm Bb**  
Neighborhood how  
**Ebm G#**  
It chills the bones  
**B F# Ebm Bb7**  
And it shakes the bowels(?)

**Ebm Bb**  
Twist the handle  
**Ebm G#**  
Open the doors  
**B F#**  
This room is  
**Bbm Bb7**  
The same as the one  
**Ebm Bb Ebm G# B F# Bbm Bb7**  
Before

Chorus:

**B F# B C#**  
Please, shield me from this nightmare  
**B F#**  
Cuz the people in this room  
**B C#**  
Are stuffy, snobby,  
**Ebm Bb Ebm G# B F# Bbm Bb7**  
and full of despair

**Ebm Bb**  
They turn up  
**Ebm G#**  
All of their noses  
**B F#**  
Hide behind  
**Bbm Bb7**  
Good looks and poses  
**Ebm Bb Ebm G#**  
But we are not like that

**B F# Bbm**  
No we will not stand for  
**Bb7**  
Behavior like that

Chorus

**F# Bbm**  
If only they  
**B C#**  
Could just go away.

**F#**  
Take (all) their things  
**Bbm**  
Their faux faces  
**B**  
Flip (all) the tables  
**C#**  
Tip all the vases  
(Repeat)

**Ebm**  
This...  
**Ebm...**  
Place  
**Bb7**  
Is never  
**Bb7 Bb7**  
Going to look, going to look  
**Ebm Bb Ebm G# B F# Bbm Bb7**  
The same!

**Ebm Bb**  
Hear me now  
**Ebm G#**  
When I say  
**B F#**  
When I first  
**Bbm Bb7**  
Woke up today  
**Ebm Bb**  
I found myself  
**Ebm G#**  
In a place where  
**B F#**  
I m no longer  
**Ebm Bb7**  
On the shelf

Chorus

**Ebm Bb Ebm G# B F# Bbm Bb7 Ebm**
