

Shady Faces In Shady Places Acoustic
We Won The Science Fair

Artist: We Won the Science Fair
Song: Shady Faces in Shady Places
Album: The Acoustic Sessions

The entire....

C#m G#

Neighborhood how

C#m F#

It chills the bones

A E G#m G#7

And it shakes the bowels(?)

C#m G#

Twist the handle

C#m F#

Open the doors

A E

This room is

G#m G#7

The same as the one

C#m G# C#m F# A E G#m G#7

Before

Chorus:

A E A B

Please, shield me from this nightmare

A E

Cuz the people in this room

A B

Are stuffy, snobby,

C#m G# C#m F# A E G#m G#7

and full of despair

C#m G#

They turn up

C#m F#

All of their noses

A E

Hide behind

G#m G#7

Good looks and poses

C#m G# C#m F#

But we are not like that

A E G#m
No we will not stand for
G#7
Behavior like that

Chorus

E G#m
If only they
A B
Could just go away.

E
Take (all) their things
G#m
Their faux faces
A
Flip (all) the tables
B
Tip all the vases
(Repeat)

C#m
This...
G#m...
Place
G#7
Is never
G#7 G#7
Going to look, going to look
C#m G# C#m F# A E G#m G#7
The same!

C#m G#
Hear me now
C#m F#
When I say
A E
When I first
G#m G#7
Woke up today
C#m G#
I found myself
C#m F#
In a place where
A E
I m no longer
G#m G#7
On the shelf

Chorus

C#m G# C#m F# A E G#m G#7 C#m
