

Faded Star

Weaving The Fate

Okay so I just had to make this. No one seems to care to put Weaving the Fate chords or tabs up. They are a great band! Updated the pre-chorus so everything should be correct now.

Thanks guys!

Hope you enjoy it!

Standard Tuning

No Capo

(INTRO Part 1)

(Light Distortion) **Dm Bb F C**

(Intro Part 2) **Dm C Bb C F C** (Same progression pattern as Part 1 with a quick **C** in between **Dm** and **Bb** and **Bb** and **F**)

(Heavy Distortion) **Dm C Bb F C**

(Verse 1)

Dm **Bb**
Today I m sinkin even further
F **C**
Straight down than I was before
Dm **Bb**
I had a strong foundation
F **C**
But now I m broken to the core

(Pre-Chorus)

Dm **Bb** **F** **C**
Thought that I would always have you here right beside me
A **Bb** **C** **Dm**
And we d leave so much behind just to be

(Chorus)

C **Bb**
Just another faded star
C **F**
Just another faded heart
C **Dm**
Just another faded story
C **Bb**
Knowin all that we have lost

Knowin what our dreams have cost

Just another faded story

(Verse 2)

I realize I caught up
With what I've been chasin' for so long
But now it's different than I thought of
When I thought of it when I was young

(Pre-Chorus)

But I will always have you here right beside me
And we'll leave so much behind just to be

(Chorus)

Just another faded star
Just another faded heart
Just another faded story
Knowin' all that we have lost
Knowin' what our dreams have cost
Just another faded story

(Bridge/Interlude)

Yeah Yeah
Yee-ah Ee-yeah

(Solo) Dm x10 Bb x10 F x10 C x10 (X2)

(Chorus)

Just to be..

Just another faded star
Just another faded heart

C Dm

Just another faded story

C Bb

Knowin all that we have lost

C F

Knowin what our dreams have cost

C F (Hold)

Just another faded story
