

I Saw Your Face In The Moon
Webb Pierce

C

I saw your face in the moon, honey

G7

You threw a smile at me

You pretended that you were happy

C

But in those lovin' eyes I could see

You were having blue thoughts of bygones

C7

F

The days you and I once knew

B

But I could see your smile

C

A7

It faded with the gloom

D7

G7

C

A7

When I saw your face in the moon, honey
