```
      F#      C#      E      B
When the life inside no doubt has died

      F#      C#      B
Then you ve turned your head around

      F#      C#      E      B
You tried to pay at the end of the day

      F#      C#      F#
It s you, again, alone
```

And you can t relate to them
You ve reaped and sewn, but little is known
By those who aren t alone

Why should a man learn not again
What he has learned before
He s overcome but must succumb
To what he s living for

He tried and tried although survived
He missed he s falling short
The little known, his heart of stone
Will make him feel alone
