

Demon Sweat
Ween

From: * (Sydb)

(Badly) transcribbed By Ken Gorski (*)

The Chords to the song are just:

D# Bbm

Bbm D#

Repeated endlessly (listen for the keyboard parts)

Here is a OVER-SIMPLYFIED version of the main opening riff:

```
-----  
-----  
-6-8b9b8--6--8-----  
-----5--5b6b5-----  
-----  
-----
```

Each time this is played, it changes somewhat.
