

**Dont Shit Where You Eat
Ween**

From: * (Sydb)

Transcribbed by Ken Gorski (*)

As always, listen to the album to get the right timing, this transcription isÖnt very accurate in regards to rhythm.

If you find a obvious mistake someplace, please e-mail me. This song sounds best if you donÖt use a pick. Change this post to Courier Font to make it readable, if nessisary.

same album)

The chords:

Am G Am

Am G Am

Am G Dm

Am G Am

The solo is very simple, but if you REALLY need it. Mail me and i'll post it.

Q: does anybody know how to do that Noise Solo from Voodoo Lady ?
I guess they use some kind of * box, but what kind?
