G
Let s begin
With the past in front
   Em
And all the things
You really don t care about now
It d be exactly where I m at
G
And to think
   D
You got a grip
Look at yourself
Your lips are like two flaps of fat
They go front and back and flappity flap
G
I m all staged
    D
It s all an act
                          Bm
I m really scared that I may fall back on the abstract
It d be exactly where I m at
   G
If you re to be
The roaming eye
                 Bm
```

Pry it open and let me tell you why it sees

The harsh realities
