

Mutilated Lips
Ween

verse one}

B* **D**
I lick my brian in silence
Rather squeeze my head instead
Midget man provoking violence
Listen not to what I said
D **B*** (arpeggio)
I said please calm it down
Everything is turing brown

{Chorus}

G/D **D**
Muitalated lips give a kiss on the wrist
C/D **E**
Of the worm like tips of tenticles expanding in my mind
G/D **D**
I m fine excepting only fresh brine
C/D **E**
You can get another drop of this yeah you wish

{repeat Chorus}

{verse two}

B* **D**
Laughing lady living lover
Ooh you sassy frassy lassie
Find me the skull of Haile Sallase, I...
Give me shoes so I can tapsy

Tap all over this big world
Take my hand you ugly girl

{Chorus twice}

{solo}

{Chorus twice:end on E arpeggio}
