

**Shot Heard Round The World**  
**Ween**

Okay so I couldn't find a correct version of this anywhere so I just figured it out and posted it for you guys. I'm going to post the first part of the verse and the chorus, it repeats itself through rest of the verse and the chorus is the same so you can put the song together if you can learn this..

Verse:

**A** **D**  
Now, the ride of Paul Revere  
**G** **C**  
Set the nation on its ear  
**A** **F#m** **C#m**  
And the shot at Lexington heard round the world  
**D** **E**  
**A** **D**  
When the British fired in the early dawn  
**G** **C**  
The War of Independence had begun  
**A** **F** **G** **A**  
The die was cast, the rebel flag unfurled.  
**D** **E**

(repeats for 2nd part of the verse)

Chorus:

**C** **Bb**  
And the shot heard round the world  
**Eb** **F**  
Was the start of the Revolution  
**Eb** **Dm** **G**  
The Minute Men were ready, on the move  
**Ab** **Eb**  
Take your powder, and take your gun  
**Bb** **Cm**  
Report to General Washington  
**Eb** **F** **G**  
Hurry men, there's not an hour to lose!

Okay so I'm going to just give you the chords in

order at the end here in might be easier for some  
of you, I had the chords dead on top of the words  
in which they start but the spacing ends up all whacky  
In the preview so..

Verse:

A D G C  
A F#m C#m  
D E

A D G C  
A F G A  
D E

Chorus:

C Bb Eb F  
Eb Dm G
