

Tender Situation
Ween

Music and Lyrics by Ween. Tab by Cameron Kisiel.

[Verse]

F **C** **G**
State this ache as the final break
Dm **F**
Tender situation, create a good illusion
C **G**
Feel the grip of your salvation
Dm **F**
This is indeed a tender situation

C **G**
Make a move man, state your case
Dm **F**
Taste the waste man, taste the waste
C **G**
What is your place in my glorification
Dm **F**
Yeah, this is really a tender situation

C **G**
Get off the pot man, shake and bake
Dm **F**
Taste the waste boy, taste the waste
C **G**
Pump it up or stray from that old station
Dm **F**
Yeah dude this is really a tender situation
C **G** **Dm F**
Tender situation, tender situation, tender situation
