

**What Deaner Was Talking About
Ween**

Here s a great song by Ween and it is pretty easy to play. The chords are all open and you play them sought of appegio on the treble strings. The effect they use I think is a Wah pedal but you don t really need it. I ll just give you the chords to it and you can just fiddle around with them.

[Verse 1]

The wash is out its hanging up
And all I have is nothing
Nothing to do nothing to say
I think I must be dreaming

[Chorus]

The sun comes up and I m all washed out
Is this what the Deaner was talking about
I don t think I ll ever return again my friend

[Verse 2] (same chords as verse 1:)

If I was king I d wear a ring
And never hurt my people
I d stay alert and dress to kill
I might even slip you something

[Chorus]

The sun comes up and I m all washed out
Is this what the Deaner was talking about
I don t think I ll ever return again my friend
