

The Burden
Weeping Willows

I m pretty sure that the chords are right. Even though they are not the chords which are picked in the song they fit to it. Very sad song...

THE BURDEN " Weeping Willows

Verse: **Em** - **C** - **D** - **Em**

Refrain: **G** - **D** - **Em** - **C**

Em

I sat down by the solitary river

C

In the shadow of a weeping willow tree

D

It seems like you have changed in the past week

Em

Do you still love me

Em

We ve been together so long that I wonder

C

And my mind is being fuelled by disbelief

D

Iâ€™ve got to hear you say it straight to me

Em

That you still love me

G

I need your loving words more often

D

Longing makes the heart go soft

Em

I m worried that you might be lost

G

I need to feel the love you give me

D

And the warmth your body brings me

Em

Need to see it in your eyes

D

That you still love me

Em

Do you still love me

Em

Time can be a difficult opponent

C

Things can always change and make us weak

D

And as I sit alone I nearly weep

Em

Do you still love me

Em

Jealousy is such a heavy burden

C

Sneaks into my soul and never sleeps

D

I ve got to hear you whisper it to me

Em

That you still love me

G

I need your loving words more often

D

Longing makes the heart go soft

Em

C

I m worried that you might be lost

G

I need to feel the love you give me

D

And the warmth your body brings me

Em

C

Need to see it in your eyes

D

That you still love me

Em

Do you still love me

(i think it d sound better if you vamped this part)

Do you still love me

Do you still love me

Do you still love me

Do you still love me

Do you still love me
