

**Butterfly**  
**Weezer**

Verse 1:

(A) (F#m) (D)  
Yesterday I went outside  
(E) (A)  
With my momma s mason jar  
(F#m) (Fill)  
Caught a lovely butterfly  
(A) (F#m) (D)  
When I woke up today  
(E) (A)  
Looked in on my fairy pet  
(F#m) (D) (Fill)  
She had withered all away  
(E)

No more sighing in her breast

Chorus:

(E) (A)  
I m sorry for what I did  
(F#m) (D)  
I did what my body told me to  
(E) (A)  
I didn t mean to do you harm  
(A7) (D) (E)  
Everytime I pin down what I think I want  
(A) (Fill)  
It slips away - the ghost  
(D)

slips away

Verse 2

(A) (F#m) (D)  
I smell you on my hand for days  
(E) (A)  
I can t wash away your scent  
(F#m) (Fill)  
If I m a dog then you re a bitch  
(A) (F#m) (D)  
I guess you re as real as me  
(D) (E)  
Maybe I can live with that  
(F#m) (D)  
Maybe I need fantasies  
(Fill) (E)  
A life of chasing butterfly

--Chorus--

(A) (F#m) (D)

I told you I would return

(E) (A)

When the robin makes his nest

(A) (F#m) (D)

But I ain't never coming back

(A) (F#m) (D)

I m sorry, I m sorry, I m sorry
