Chorus:

```

      C5             E5       D5             A5
She said she s feeling lonely, and I say that s Okay
      F5             D5             E5
She won t be coming back round here, no way

```

Verse:

```

      A5             F5       D5       E5             F5
      C5       F5             E5
Good (good), good (good), good (good)
      F5             C5       F5             G5       C5
      F5             C5       F5             G5       C5
No, crab at the booty, taint gonna do no good

```
