Verse 1:

Em                    F#            B                    Em

Suddenly our shortcomings don t seem to matter that much

Em                    F#            B

Your IQ is 20 points low and I m no Six Foot Hot Look

Em

All American Man

Pre Chorus 1:

C#                    A

Sad to say I pushed you away

B                                    Em

waiting for Mrs. Right

Chorus:

highE            B

You never gave up

Em            F#                    B                    Em

Em            F#                    B                    Em

I too am waiting for you, I ll always be your friend

Interlude:

E            F#            B            E

Verse 2:

I commend your stubbornness

without it we d never got this far

I am done with perfection

Chasing her leaves me with nothing but pain

Pre Chorus 2:

Unlike you, she isn't true  
She's got her own concerns

Chorus:

You never gave up  
you'll always be my girlfriend  
I'm waiting for you,  
I'll always be your friend
