Weezer

I have seen tabs for this song tuned down a half step, but nobody wants to take time to do that, so here is the song in standard tuning. It is not perfect but hopefully it will give you a start in learning how to play this wonderful Weezer song

Enjoy!

intro

*this chord will have to be played this way:

e-----
b-----
g--8-----
d--8-----
a--6-----
E-----

this is the only difference in sound from the half-step
down version. I just moved it up an octave from where it
is when weezer actually plays it.
