

I Dont Want Let You Go
Weezer

G
All the times you came to me and told me that you cared

Em
I was dreaming of happy days that we both could share

C
Maybe I got too excited and maybe you freaked out

D
Maybe I just have to call you up and scream and shout

G
All my friends tell me that I ought to play it cool

Em
No one likes too much attention from a desperate fool

C
Still I don t believe that I could keep it all inside

D
When I see your pretty face I almost want to cry

G **Em** **C**
I know it isn t right, but still I have to fight

D **G**
I have to let you know, I don t want to let you go

Em **C**
The pain is killing me, but I can t let it be

D **G**
I have to let you know, I don t want to let you go

(**G** **Em** **C** **D**)

G
I remember the days when I was stronger than a wall

Em
Try as anybody might, they couldn t move me at all

C
Now I fall to pieces when you softly call my name

D
Going up in smoke like a moth within your flame

G
I have lost all hope for being normal once again

Em
I will be a slave to you until the bitter end

C
Even if it s a hundred years before you change your mind

D
I will be here waiting girl until the end of time

G **Em** **C**
I know it isn't right, but still I have to fight
D **G**
I have to let you know, I don't want to let you go
Em **C**
The pain is killing me, but I can't let it be
D **G**
I have to let you know, I don't want to let you go
