Tuning: HALF-STEP DOWN

INTRO

**A F#m D E**

VERSE 1

**A**  
All the times you came to me and told me that you cared  
**F#m**

I was dreaming of happy days that we both could share  
**D**

Maybe I got too excited and maybe you freaked out  
**E**  
Maybe I just have to call you up and scream and shout

**A**  
All of my friends tell me that I ought to play it cool  
**F#m**

No one likes too much attention from a desperate fool  
**D**

Still I don t believe that I can keep it all inside  
**E**  
When I see your pretty face, I almost want to cry

CHORUS

**A** **F#m**  
I know it isn t right  
**D**  
But still I have to fight

**E**  
I have to let you know  
**A**  
I don t wanna let you go

**F#m**  
The pain is killing me  
**D**  
But I can t let it be  
**E**

I have to let you know  
**A**  
I don t wanna let you go

## VERSE 2

**A**  
I remember the days when I was stronger than a wall  
**F#m**  
Try as anybody might, they couldn t move me at all  
**D**  
Now I fall to pieces when you softly call my name  
**E**  
Going up in smoke rings like a moth within your flame

**A**  
I have lost all hope of being normal once again  
**F#m**  
I will be a slave to you until the bitter end  
**D**  
Even if it s a hundred years before you change your mind  
**E**  
I will be here waiting, girl, until the end of time
