

I Dont Want To Let You Go
Weezer

Song: I Don t Want to Let You Go (Raditude Version)

Tuning: HALF-STEP DOWN

INTRO

A F#m D E

VERSE 1

A
All the times you came to me and told me that you cared

F#m
I was dreaming of happy days that we both could share

D
Maybe I got too excited and maybe you freaked out

E
Maybe I just have to call you up and scream and shout

A
All of my friends tell me that I ought to play it cool

F#m
No one likes too much attention from a desperate fool

D
Still I don t believe that I can keep it all inside

E
When I see your pretty face, I almost want to cry

CHORUS

A **F#m**
I know it isn t right

D
But still I have to fight

E
I have to let you know

A
I don t wanna let you go

F#m
The pain is killing me

D
But I can t let it be

E

I have to let you know
A
I don t wanna let you go

VERSE 2

A
I remember the days when I was stronger than a wall
F#m
Try as anybody might, they couldn t move me at all
D
Now I fall to pieces when you softly call my name
E
Going up in smoke rings like a moth within your flame

A
I have lost all hope of being normal once again
F#m
I will be a slave to you until the bitter end
D
Even if it s a hundred years before you change your mind
E
I will be here waiting, girl, until the end of time
