LA Girls

**C# Fm**

Please act your age

**C# Cm**

You treat me like I have the plague

**C# Cm Bbm G#**

It s the Gyre and Gimble in the wabe

**G#**

LA Girls

**C# Fm**

Please act your age

**C# Cm**

Sweeten up your lemonade

**C# Cm Bbm**

And meet me down at tower 28

**Fm Cm**

I think I m in whiplash

**C# Bbm Cm**

I m losing it mixing ammonia and bleach

**Fm**

I get off at Pico

**Cm**

And sell my possessions

**C# Bbm Cm**

So you will know just how I feel

**Fm Cm**

I love your long hair

**C# G# G#/G**

But you just don t care

**Fm**

So please help me fathom this

**Cm**

World without music

**C# Bbm Cm**

And by the way, when can we talk?

Fm Cm  
So would you mind if I was pregnant  
C# Bbm Cm  
I ll sleep on the edge of your bed  
Fm  
Like Dante and Beatrice  
Cm  
We ll light up our candles  
C# Bbm Cm  
But how is this going to end?

Fm Cm  
The kids are asleep  
C# G# G#/G  
We re haunting their dreams  
Fm  
And some women swear it s more  
Cm  
painful than labour  
C# Bbm Cm  
To die with your sins on your head

G# Cm Fm Cm  
Does anybody love anybody else as much as I love you, baby? x4
