Me and my girl ain t speak in weeks

F G C F G

And I can t remember the reason why why why

C

On top of that it s a recession

F G C F G

I feel like Jay-Z; this can t be life life

[chorus]

C

Tonight I m leaving all my worries

Em

And my problems in the house

Am G

I m going out with my homies and we gonna let it, gonna let it

C Em

All hang out, let it all hang out

Am G

It s the last day of the weekend, boy I need to release

C Em

And let it all hang out, let it all hang out

Am F

I m going out with my homies and we gon let it all hang out

[verse]

C

Time for me to leave this place

F G C F G

Don t feel like it s going to come come come

C

I got bills on top of bills

F G C F G

And I don't know where I'm getting my money from from

C

The walls feel like they're closing in
