

Peace

Weezer

Alright, here is the version I got...

Capo on the first fret. Standard tuning.

**C Am C Am**

**C** **Am** **C**  
More and more, I can't say no

**Am** **C**  
So afraid of letting go

**Am** **C**  
If there's something I can grab  
**Am(hold)** **C** **Am**  
You can bet I'll pay the tab

**(Am)** **C** **Am**  
Counting all the flowers

**(Am)** **C** **Am**  
Waste the precious hours

**(Am)** **C** **Am**  
I need to find some peace

**C** **Am** **C**  
All these problems on my mind

**Am** **C**  
Make it hard for me to think

**Am** **C**  
There is no way I can stop  
**Am(hold)** **C** **Am**  
My poor brain is gonna pop

**C** **Am**  
And I don't have a purpose

**C** **Am**  
Scattered on the surface

**C** **Am**  
I need to find some peace

**F**  
Whoa oh oh oh

**G**  
Whoa oh oh oh

**C**  
Whoa oh oh oh

**E**  
Whoa oh oh oh

**F**

Whoa oh oh oh

**G**

Whoa oh oh oh

**C C**

Whoa oh oh oh

(Solo) **C Am**

(**Am**) **C Am**

And all the broken tethers

**C Am**

We can bring together

**C Am**

I need to find some peace

(Repeat Whoa oh oh oh part TWICE)

**C Am**

**C Am**

I need to find some peace

**C Am**

**C Am** (hold)

I need to find some peace

**C**
