[Primeira Parte]

F#
What s the deal with my brain?
C#
Why am I so obviously insane?
G#m
In a perfect situation
C#
I let love down the drain
F#
There s the pitch, slow and straight
C#
All I have to do is swing
G#m
And I m a hero
C#m
But I m a zero

F#
Hungry nights once again
C#
Now it s getting unbelievable
G#m
Cause I could not have it better
C#
But I just can t get no play
F#
From the girls all around
C#
As they search the night for
G#m
Someone to hold onto
C#
I just pass through

[Refrão]

F# C# G#m C#
Singin oh oh, oh oh, ohhhh oh
F# C# G#m C#
Singin oh oh, oh oh, ohhhh oh

[Segunda Parte]

F#

Get your hands off the girl

C#

Can t you see that she belongs to me?

G#m

And I don t appreciate

C#

This excess company

F#

Though I can t satisfy

C#

All the needs she has

G#m

And so she starts to wonder

C#

Can you blame her?

[Refrão]
