Intro:
C Am F G

C
when I was a baby I was so happy
Am
I played with my friends in the mud
F
Wilbur and Jack and Notice and Beaty
G
we were a gang and you gotta believe me

C
momma would scold us if we got too rough
Am
she didnt care she was proud of us
F
I ran around and talked to the animals
G
tellin them stories of savage cannibals

C

then I got older and noticed a girl

Am

first I was sure I didn't exist to her

F

I sulked around but I didn't know why

G

then she put her cheek on my shoulder and I

C

was lookin at her and she was lookin at me

Am

we started to smile, it was our destiny

F

Tina was her name she was my cutie pie

G

forgot about the things that I used to like

C

I spent all my time followin her around

Am

my friends all made the whiplash sound

F

they understood they was happy for me and

G

everyone clapped when I asked her to marry me

C

and she said yes and we felt so fine

Am

we lost track of the passin of time

F

before I knew it we had our own babies

G

Gina and Shade and Kiwi and Ged

C

Am

but now, I've got to die

F

G

I've lived a good life I've got no complaints

C

Am

I'd like to thank farmer keep

F

G

for bringin me scraps so for that I could eat

C

Am

he always had a smile on his face

F

G

he didn't want to think of this day

C

Am

it's finally here...

F

G

it's finally here...oh....

C

Am

oh.....

F **G**
they called me pig

C **Am**

Oh.....

F **G**
they called me pig
