**G#**  
we were a gang and you gotta believe me

**C#**  
momma would scold us if we got too rough  
**Bbm**  
she didnt care she was proud of us  
**F#**  
I ran around and talked to the animals  
**G#**  
tellin them stories of savage cannibals

**C#**

then I got older and noticed a girl

**Bbm**

first I was sure I didn't exist to her

**F#**

I sulked around but I didn't know why

**G#**

then she put her cheek on my shoulder and I

**C#**

was lookin at her and she was lookin at me

**Bbm**

we started to smile, it was our destiny

**F#**

Tina was her name she was my cutie pie

**G#**

forgot about the things that I used to like

**C#**

I spent all my time followin her around

**Bbm**

my friends all made the whiplash sound

**F#**

they understood they was happy for me and

**G#**

everyone clapped when I asked her to marry me

**C#**

and she said yes and we felt so fine

**Bbm**

we lost track of the passin of time

**F#**

before I knew it we had our own babies

**F#**

**G#**

for bringin me scraps so for that I could eat
