e | -----
```

verso

```
Dm                Gm  
when i m stable long enough  
  C                F    (Em)  
i start to look around for love  
Dm                Gm  
see a sweet in floral print  
  C                F  
my mind begins the arrangement  
Em (começa um riff de fundo mas n tirei)                Am  
but when i start to feel that pull  
C                F  
turns out I just pulled myself  
Dm                Gm  
she would never go with me  
  C                F  
were i the last girl on earth
```

Refrão

```
F    Am                Bb    F  
i m dumb she s a lesbian  
  Bb                F    C  
i thought i had found the one  
Dm                Am    Bb                F  
we were good as married in my mind  
  Bb                F    C  
but married in my mind s no good
```

Bb Am Gm C Dm  
pink triangle on her sleeve  
Bb F  
let me know the truth  
Bb C F  
let me know the truth
