Lyrics:

Queen of earth, won t you stand by my side?
We ve both waited for the whole of our lives
Come with me, we can build extacy

Never once, have I felt quite this way
Feel my heartbeat, it s just slipping away
Want to live in my hole in the ground

I m over and done, baby
I m over and done
I never want to be alone
I never want to be alone

Want to live in my hole in the ground

I m over and done, baby
I m over and done
I never want to be alone
I never want to be alone
