

Represent

Weezer

This is my first tab so settle down if I did something wrong.
I was looking around for the chords for Represent by Weezer
and couldn't find them so I decided to figure them out myself.
I believe these are the correct chords, I know this is in the right key.
Represent was a single released for FIFA to get everyone pumped
for the US soccer team. We lost but either way this song is awesome.

Intro: **C F G C Em Am F G Em**

Am G Am G Am G Am G
I m sick and tired of everybody trying to tell me what to do,
Am G Am G Am G Am G
If I m in need of your advice then surely I would come to you,
Am G Am G Am G Am G
I didn t get in this position just by happenstance,
Am G Am G Am G E
I worked my bones beyond the limit just to have half a chance,
C F
It matters how you play the game,
G C
It matters that you can take the pain,
C F
You don t want to lie, steal, or cheat your way to the top,
G Em Am
Ohh-ohh-ohhhh
C F
It matters what your people think,
G C
You represent your family,
C F
Well that s just one more reason to see,
G
That it matters...
Em
Whether you win or lose.

Am G Am G Am G Am G
Why don t we see who is the wizard and play some one on one,
Am G Am G Am G Am G
I think you ll find me sympathetic to ya when I ve won,
Am G Am G Am G Am G
It seems you ve got the brawn to beat me if this was all it takes,
Am G Am G Am G E
But I ve got skills to pay the bills and punish each of your mistakes,
C F
It matters how you play the game,

G **C**
It matters that you can take the pain,
C **F**

G **C**
You represent your family,
C **F**
Well that's just one more reason to see,
G
That it matters...
Em
Whether you win or lose.

C **G**
One hundred years from now,
F
They'll look back on this day,
C
Where are you going to be,
G **C**
And what are they going to say,

C **Am**
I see my name in lights,
F
The people call my name,
F **Em**
It's all up to you,
F **Am**
Will you find a way?
