I can see the little lights flashing at eachother up above  
**Fm**                      **Bb**                                      **Fm**                      **G#m7**                      (**Bb**)  
Is it us making love in the Milky Way, long before we threw it all away?

Hey, you  
**G#**                                      **Bb**  
We re running out of time

And you know it s true  
**Cm**  
I just want to run away from here with you  
**Eb**                      **G#**                      **Bb**  
Tonight...

You could smash all my windows with the throw of a rock  
**Fm**                                      **Bb**                                      **Fm**  
And make the hurt go away, come again some other day  
**G#m7**                                      **Bb**  
There s so much I want to say about

**G#**            **Bb**  
You  
**G#**                                      **Bb**

And you know its true  
**Cm**  
I just want to run away from here with you

**Eb**                                      **G#**            **Bb**            **Eb**  
I thought you would always be my friend  
**G#**    **Bb**                      **Eb**

Now everything must end  
**G# Bb Eb**  
And so the world moves on  
**G# Bb Eb**  
Cuz everything must change  
**G# Bb Eb**  
And now you re all alone  
**G# Bb Cm**  
You re sitting by the telephone

You wonder why  
**Bb Eb G# Bb**  
Everyone will cry
