( D F#m G E A/F# Edim/C Bm/G# F#/B )

Open the door and let your love come down  
Over the wall you re spinnin round and round  
Cause you wanted some love  
I ll make it happen

( G A D Bm/G# G A )

Cause I don t want to break  
Your fine face, I can t take  
The way you wanna wrap me up  
Inside your smile

( D F#m G E A/F# Edim/C Bm/G# F#/B )

Open your heart and let the good stuff out  
Water me girl, and let me ease the drought  
Cause you wanted some love  
I ll make it happen

( G A D Bm/G# G A )

Cause I don t want to break  
You fine face, I can t take  
The way you wanna wrap me up  
Inside your smile

( G A D5 C#/B Bm/G# A/G# G A )

I can t be gone darlin  
For very long  
(No) never know what you re gonna do

Standin there deep in front of you  
Take a look in between my eyes  
Because I m back  
Yeah
