Open the door and let your love come down
Over the wall you re spinnin round and round
Cause you wanted some love
I ll make it happen

(B C# F# Ebm/G# B C#)

Cause I don t want to break
Your fine face, I can t take
The way you wanna wrap me up
Inside your smile

(F# Bbm B G# C#/F# G#dim/C Ebm/G# Bb/B)

Open your heart and let the good stuff out
Water me girl, and let me ease the drought
Cause you wanted some love
I ll make it happen

(B C# F# Ebm/G# B C#)

Cause I don t want to break
You fine face, I can t take
The way you wanna wrap me up
Inside your smile

(B C# F#5 F/B Ebm/G# C#/G# B C#)

I can t be gone darlin
For very long
(No) never know what you re gonna do

Standin there deep in front of you
Take a look in between my eyes
Because I m back
Yeah
