

The Other Way
Weezer

The other chords for this seemed more difficult than necessary. They may be the actual
but I find this to be an easier progression, for those who are learning.

Capo on 2nd fret

VERSE 1

C **D**
I want to help you
G **Em**
But I don't know how
C **D**
I want to soothe you
G **Em**
But I can't speak out

PRE-CHORUS 1

C
I have many fears about rejection
G
I have many memories of pain
C
I have always been a bit too shy
D **G**
So I'll turn and look the other way

CHORUS

C **Am**
Other way
D **G**
Other way
C **Am** **D**
I will turn and look the other way

VERSE 2

C **D**
I want to hold you
G **Em**
But I am afraid
C **D**
I want to touch you
G **Em**
But I'm not that way

PRE-CHORUS 2

C
I have many doubts about my motives

G
I have many fears about my greed
C
I have always hurt the women I love
G **G**
So I ll turn and look the other way

CHORUS

C **Am**
Other way
D **G**
Other way
C **Am** **D**
I will turn and look the other way

SOLO

Same chord progression

PRE-CHORUS 2

C
I have many doubts about my motives
G
I have many fears about my greed
C
I have always hurt the women I love
G **G**
So I ll turn and look the other way

CHORUS

C **Am**
Other way
D **G**
Other way
C **Am** **D**
I will turn and look the other way

Repeats chorus a few times than ends on G
