Way back when I was just a little bitty boy living in a box under the  
 stairs in the corner of the basement of the house half a block down the  
 street from Jerry's Bait Shop? You know the place? Well anyway, back then  
 life was going swell and everything was juuuuust peachy? except of course  
 for the undeniable fact that every single morning my mother would make me  
 a big old bowl of sauerkraut for breakfast. Daaaaaaaouh! Big bowl of  
 sauerkraut!

my mom, I said, "Hey mom, what's up with all the sauerkraut?" And my dear  
 sweet mother she just looked at me like a cow looks at an oncoming train.  
 And she leaned right down next to me, and she said, "It's good for you!"  
 And then she tied me to the wall and stuck a funnel in my mouth  
 and force-fed me nothing but sauerkraut until I was twenty-six and a half

Eb Eb

years old. That's when I swore that someday, someday I would get out of  
Eb Eb Eb  
that basement and travel to a magical far away place where the sun is  
A Eb  
always shining and the air smells like warm root beer and the towels are  
A Eb A  
oh so fluffy, where the shriners and the lepers play their ukulele's all  
Eb A  
day long and anyone on the street'll gladly shave you're back for a  
Eb A A A A Eb  
nickel. Wakawakadoodoo yah! Well let me tell you people, that it wasn't  
Eb Eb Eb Eb  
long at all before my dream came true because the very next day a local  
Eb Eb  
radio station had this contest to see who could correctly guess the number  
Eb Eb Eb Eb  
of molecules in Leonard Neroy's butt. I was off by three but I still won  
Eb Eb  
the grand prize. That's right a first class one-way ticket, to  
Eb Ebm7 A Am7 Eb A Eb Eb Ebm7 A Am7 Eb A  
A - lbuquerque, A - lbuquerque! Ah yah, you know I never  
Eb Eb  
been on a real airplane before and I gotta tell ya it was really great.  
Eb Eb Eb Eb  
Except that I had to list between two large Albanian women with  
Eb Eb  
excruciatingly severe body odour and the little kid in back of me kept  
Eb Eb  
throwing up the whole time. The flight attendants ran out of Dr. Pepper  
Eb Eb Eb Eb  
and salted peanuts and the in flight movie was Biodome with Polly Shore.  
Eb  
And oh yah three of the airplane's engines burned down and we went into a  
A Eb  
tailspin and crashed into a hillside and the plane exploded in a giant  
A Eb Eb  
fireball and everybody died! Except for me. You know why? 'Cause I had my  
A Eb A  
train table up, and my seat back in the full upright position, had my  
Eb A Eb A  
train table up, and my seat back in the full upright position, had my  
Eb A Eb A  
train table up, and my seat back in the full upright position. Ah ha ha  
Eb Eb Eb Eb  
ha! Oh ha ha! Ahhhh. So I crawled from the twisted burnin' wreckage, I  
Eb Eb  
crawled on my hands and knees for three full days, dragging along my big  
Eb A Eb  
leather suitcase, and my garment bag, and my tenor saxophone, and my  
A Eb A  
twelve-pound bowling ball and my lucky lucky autographed glow in the dark  
Eb A A A A  
snorkel. But finally a arrived at the world famous 'Albuquerque Holiday

Eb Eb Eb  
 Inn?, where the towels are oh so fluffy, and you could eat you're soup  
 Eb Eb  
 right out of the ashtrays if you wanna, it's OK their clean. Well I  
 Eb A Eb  
 checked into my room and I turned down the AC and I turned on the spectro  
 A Eb  
 vision and I was just about to eat that little chocolate mint on my pillow  
 A Eb  
 that I love so very very much when suddenly there's a knock on the door.  
 Eb Eb Eb Eb  
 Well now who could that be? I say, "who is it?" No answer. "Who is it?"  
 Eb  
 There's no answer. "Who is it!?" They're not saying anything, so finally I  
 Eb  
 go over and I open the door and just as I suspected, it's some big fat  
 Eb Eb Eb Eb  
 hermaphrodite with a flock of seagull's haircut and only one nostril. Oh  
 Eb Eb Eb A  
 man I hate it when I'm right. So anyway he burst into my room and grabbes  
 my lucky snorkel and I'm like "hey, you can't have that! That snorkel has  
 Eb Eb Eb Eb  
 been just like a snorkel to me." And he's like "tough?" And I'm like "give  
 Eb Eb Eb Eb  
 it." And he's like "make me." And I'm like "k." So I grabbed his leg and  
 A A Eb Eb A  
 he grabbed my oesophagus and I bit off his ear and he chewed off my  
 A Eb Eb  
 eyebrows and I took out his appendix and he gave me a valonic irrigation  
 Eb Eb  
 yes indeed you better believe it. And somehow in the middle of it all the  
 Eb Eb Eb Eb  
 phone got knocked off the hook, and twenty seconds later I heard a  
 Eb Eb  
 familiar voice, and you know what it said, I'll tell you what it said, it  
 Eb Eb A A A Eb Eb A A Eb  
 said, "if you'd like to make a call, please hang up and try again. If you  
 Eb A A Eb A Eb Eb Eb  
 need help hang up and then dial you're operator. If you'd like to make a

 Eb A Eb Ebm7 A Am7 Eb A Eb Eb Ebm7 A Am7 Eb  
 you're operator. In A - lbuquerque, A - lbuquerque! Well  
 Eb Eb Eb Eb  
 to cut a long story short he got away with my snorkel. But I made a solemn  
 Eb Eb  
 vow right then and there that I would rest, I would not sleep for an  
 Eb Eb Eb Eb  
 instant until the one|-nostriled man was brought to justice. But first I  
 Eb Eb A A  
 decided to buy some donuts. So I got in my car and drove over to the donut

shop and I walked right up to the guy behind the counter and he says ?yah,

That?s when I knew it was true love, we were inseparable after that, oh we

Eb Eb

Anyway then things really started looking up for me, because about a week  
Eb Eb Eb Eb  
later I finally achieved my life-long dream. That's right I got me a part  
Eb Eb

time job at the "Sizzler." I even made employee-of-the-month after I put  
Eb Eb

out that grease-fire with my face. Oh ya everyone was pretty jealous of me  
Eb Eb Eb Eb

after that. I was getting lotta attitude. OK like one time, I was out in

Eb Eb Eb Eb

the parking lot trying to remove my excess earwax with a golf pencil, when

Eb Eb

I see this guy Marty tryin' to carry a big old sofa up the stairs all by

Eb Eb

himself. So I-I say to him, I say, "hey, you want me to help you with

Eb Eb

Eb Eb

that? And Marty he just rolls his eyes and goes, "nooooo I want you to cut

off my arms and legs with a chain saw." So I did. And then he gets all

indignant on me, he's like, "hey mad I was just being sarcastic." Well

Eb Eb Eb Eb

that's just great, how was I supposed to know that? I'm not a mind reader

Eb Eb

for crying out loud. Besides now he's got a really cute nickname "Torso

what's he complaining about? Say that reminds me of another amusing

a bite in three days. Well I knew what he meant but just to be funny I

Eb Eb

Eb

took a big bite out of his jugular vein, and he's yelling and screaming

and bleeding all over and I'm like, "hey come on don't you get it?" But he

Eb Eb Eb A A Eb

just kept rolling around on the sidewalk bleeding and screaming, YAAAAHHH!

Eb A Eb Eb

OHAAA! AHAAA! And I'm completely missing the irony of the whole situation,

Eb Eb Eb Eb Eb Eb

man some people just can't take a joke you know? Anyway, um? um? where was

Eb Eb Eb Eb Eb Eb

I? Kinda lost my train of thought. Oh, uh, well oh okay anyway I know it's

Eb Eb

a roundabout way of saying it but I guess the whole point I'm trying to

Eb A Eb A

make is, I, HATE, SAURKROUT! That's all I'm really trying to say, and by

Eb A

the way if one day you happen to wake up and find yourself in an

Eb A Eb A

existential quandary full of weeing and self doubt and wrapped with the

Eb A Eb

pain and isolation of you're pitiful meaningless existence, at least even
