Weird Al Yankovic

Bb

I never seem to finish all my food

Ab

Eb

I always get a doggie bag from the waiter

Bb

So I just keep what s still unchewed

Ab

Eb

And I take it home, save it for later

Bb

But then I deal with fungal rot, bacterial formation

Microbes, enzymes, mold and oxidation

Ab

Eb

I don t care, I ve got a secret trick up my sleeve

Bb

I never bother with baggies, glass jars, tupperware containers

Plastic cling wrap, really a no-brainer

Ab

Eb

I just like to keep all my flavours sealed in tight

Bb

With aluminum foil (foil)

Never settle for less

Ab

That kind of wrap is just the best

Eb

To keep your sandwich nice and fresh

Bb

Stick it in your cooler (cooler)

Eat it when you re ready

Ab

But maybe you ll choose (you ll choose, you ll choose, you ll choose)

Eb

A refreshing herbal tea

Mmm, lovely!

Bb

Oh, by the way, I ve cracked the code

Ab

Eb

I ve figured out these shadow organizations

Bb

And the Illuminati know

Ab

Eb

That they re finally primed for world domination

Bb

And soon you ve got black helicopters come across the border
Puppet masters for the New World Order

Ab

Eb

Be aware: there s always someone that s watching you

Bb

And still the government won t admit they faked the whole moon landing
Thought control rays, psychotronic scanning

Ab

Eb

Don t mind that, I m protected cause I made this hat

Bb

From aluminum foil (foil)
Wear a hat that s foil lined

Ab

In case an alien s inclined

Eb

To probe your butt or read your mind

Bb

Looks a bit peculiar (culiar)
Seems a little crazy

Ab

But someday I ll prove (I ll prove, I ll prove, I ll prove)

Eb

There s a big conspiracy
