### Lyrics:

Sometimes I really want to be alone  
But that s one state I m never in  
Because I know that I ve got millions upon millions  
Of tiny, one-celled organisms living on my skin

but I know they re up to something  
Hey, don t touch that - you don t know where it s been!

They re all over me  
They re inside of me

Can t get em offa me  
I m covered with... microscopic bacteria  
What do they want from me  
What ll they do to me?  
There s no escape for me  
I m crawling with... microscopic bacteria

Now if I ever dare to go to sleep  
That s when they start their sneak attack  
In the morning I wake up in utter horror  
To find my teeth are covered with bacterial plaque

I wish they d pack their tiny little bags and move away

They re all over me  
They re inside of me  
Can t get em offa me  
I m covered with... microscopic bacteria  
What do they want from me  
What ll they do to me?  
There s no escape for me  
I m crawling with... microscopic bacteria

They re creepin around my shorts  
They re under the bathroom sink  
They re ridin inside my car  
They re swimmin in every drink  
They re hidin between my toes  
They re lurkin in every kiss  
I got em way up my nose  
In every orifice  
I m gonna show them who s boss  
I m gonna get even yet  
Just gimme some Lysol spray  
Just hand me a moist towelette  
Don t tell me I m paranoid  
I know that they re after me  
Look under the microscope  
SEE??

They re all over me  
They re inside of me  
Can t get em offa me  
I m covered with... microscopic bacteria  
What do they want from me  
What ll they do to me?  
There s no escape for me  
I m crawling with... microscopic bacteria

They re all over me  
I can feel em all over me  
Over every part of me  
Microsopic bacteria

I know they re watching me  
They re always watching me  
They re coming after me  
Microscopic bacteria  
Won t somebody help me  
Please somebody help me  
You ve got to believe me  
They re out to get me  
They wanna control me  
They wanna destroy me  
They re tryin to kill me  
It kind of upsets me
