Me-he-he-helanie,

What can the problem be?

Sweet Me-he-he-he-helanie,

B C# F#

Why won t you go out with me?

C# B F# C#

She lived across the street on the fifteenth floor of the Gilmore building.

I saw her in the shower reaching for some soap.

I knew she had to be the girl for me, and to think I probably

G#m B

never would have found her,

F# C#

If I hadn t bought that telescope.

Me-he-he-helanie,

What can the problem be?

Sweet Me-he-he-he-helanie,

Why won t you go out with me?

I just can t understand it.

Why won t you return my phone calls?

Are you still mad I gave a mohawk to your cat?

If you d just say the word, I m certain that our love would last  
forever and ever,

Or are you too dumb to realize that?

Me-he-he-helanie,

What can the problem be?

Sweet Me-he-he-he-helanie,

Why won t you go out with me?

G#m C#

How can you ignore me, when you know that I can t live without you?

G#m B C#

I have to go through your garbage just to learn more about you.

Melanie,

Oh sweet Me-he-he-helanie,

Why won t you go out with me?

You weren t impressed when I tattooed your name across my forehead.

You wouldn't listen when I promised to be true.  
I couldn't stand it, so I jumped out from the sixteenth story  
window right above you.  
Now I may be dead but I still love you.

Me-he-he-helanie,  
What can the problem be?  
Sweet Me-he-he-he-helanie,  
Why won't you go out with me?
