

Pancreas

Weird Al Yankovic

F

Oooh oooh oooh ee-oooh oooh oooh
Ahh ahh ahh ahh ahh ahh-oooh oooh
Ooooooh

Gm **C**

I m always thinkin bout it

Dm **Gm**

I don t know what I d do without it

C7

I love, I really love

F

My pancreas

Gm **C**

My spleen just doesn t matter

Dm **Gm**

Don t really care about my bladder

Bb **Gm**

But I don t leave home without

F

My pancreas

Gm **D**

My pancreas is always

There for me

Ahh-oooh

F **Dm**

Secreting those enzymes (bap bap bap)

F **Dm**

Secreting those hormones too

Bb **F**

Metabolizing carbohydrates

G

G7

Just for me

C

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

Bb

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

C

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

Bb

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

C

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

Bb

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

C

C7

Ooooooh

Bb

C

My pancreas attracts every other

F

Dm

Pancreas in the universe

Gm

C7

With a force proportional

F

F7

To the product of their masses

Bb

C

And inversely proportional

F

Dm

To the distance between them

Woo woo woo woo

Don tcha you know you gotta

F

Gm

Flow, flow, flow, pancreatic juice

C

Flow, flow, into the deuodenum

Won tcha

F

Gm

Flow, flow, flow, pancreatic juice

C

Flow, flow, into the deuodenum

F

Insulin, glucagon

(Won tcha flow, flow, flow, pancreatic juice)

Gm

C

Comin from the islets of Langerhans...

(Flow flow, into the deuodenum)

F

Insulin, glucagon

(Won tcha flow flow flow, pancreatic juice)

Gm

C

Comin from the islets of Langerhans...

(Flow flow, into the deuodenum)

F

Lipase, amylase, and tripsin

[Insulin, glucagon]

(Won tcha flow, flow flow, pancreatic juice)

Gm

C

They gonna help with our digestion
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

F

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Gm

C

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

F

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Gm

C

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

F

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Gm

C

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

F

fade out

Can t you see I love my pancreas
