Metabolizing carbohydrates

F

F7

Just for me

Bb

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

G#

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

Bb

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

G#

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

Bb

Ba-ba ba ba-ba ba ba ba-ba ba ba

My pancreas

G#

Ba-ba ba ba-ba ba ba ba-ba ba

My pancreas

Bb

Bb7

Ooooooh

G#

Bb

My pancreas attracts every other

Eb

Cm

Pancreas in the universe

Fm

Bb7

With a force proportional

Eb

Eb7

To the product of their masses

G#

Bb

And inversely proportional

Eb

Cm

To the distance between them

Woo woo woo woo

Don tcha you know you gotta

Eb

Fm

Flow, flow, flow, pancreatic juice

Bb

Flow, flow, into the deuodenum

Won tcha

Eb

Fm

Flow, flow, flow, pancreatic juice

Bb

Flow, flow, into the deuodenum

Eb

Insulin, glucagon

(Won tcha flow, flow, flow, pancreatic juice)

Fm

Bb

Comin from the islets of Langerhans...

(Flow flow, into the deuodenum)

Eb

Insulin, glucagon

(Won tcha flow flow flow, pancreatic juice)

Fm

Bb

Comin from the islets of Langerhans...

(Flow flow, into the deuodenum)

Eb

Lipase, amylase, and tripsin

[Insulin, glucagon]

(Won tcha flow, flow flow, pancreatic juice)

Fm **Bb**

They gonna help with our digestion
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

Eb

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Fm **Bb**

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

Eb

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Fm **Bb**

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

Eb

Can t you see I love my pancreas
{Lipase, amylase, and tripsin}
[Insulin, glucagon]
(Won tcha flow flow flow, pancreatic juice)

Fm **Bb**

Golly-gee I love my pancreas
{They gonna help with our digestion}
[Comin from the islets of Langerhans...]
(Flow flow, into the deuodenum)

Eb fade out

Can t you see I love my pancreas
