This song is very easy, and is just the following chord pattern played on the upbeats (ska style). I couldn't find a single copy of this tab anywhere, and it's not perfect, but it will work. Yes, the same thing is played during the chorus.

```
| --8----6----8----10--|  
| --8----6----8----11--|  
| --9----7----9----10--|  
| -----|
