

**Legendary
Welshly Arms**

F#m

Take a look around me

Taking pages from a magazine

Bm

Been looking for the answer

C#

Ever since we were seventeen

F#m

You know the truth can be a weapon

To fight this world of ill intentions

Bm

A new answer to the same question

C#

How many times will you learn the same lesson?

D

F#m

I think they got it all wrong

E

We just got to hold on

And on, and on, and on

F#m

Cause we re gonna be legends

E

Gonna get their attention

Bm

What we re doing here aint just scary

D

It s about to be legendary

F#m

Yeah we re gonna be legends

E

Gonna teach em all a lesson

Bm

Got this feeling that we re so sweet caring

D

It s about to be legendary

F#m

This is what we came for

And we couldn t want it anymore

Bm

We could never turn back now

C#

Got to leave it all on the floor

F#m

Been dreaming of the payoff

Through the struggles and the trade-offs

Bm

Write in truth heading on the way up

C#

Tell them the truth but they think it s just made up

D

F#m

I think they got it all wrong

E

We just got to hold on

And on, and on, and on

F#m

Cause we re gonna be legends

E

Gonna get their attention

Bm

What we re doing here aint just scary

D

It s about to be legendary

F#m

Yeah we re gonna be legends

E

Gonna teach em all a lesson

Bm

Got this feeling that we re so sweet caring

D

It s about to be legendary

F#m

Eventually their gonna know who s right

C#

To make a stand you got to win the fight

D

Can t stand the heat then just stay out the light

C#

For I might not make it out alive

Bm

You gotta live without the columbines

C#

They never want to hear your battlecry
