

Unspoken

Welshly Arms

[Verse 1]

F **Am**
Drunk up all the wine on the back porch
G **F**
Listen to the rain through the willow trees
Am **G** **C**
Must have been something in the melody

F **Am**
Tried to play it off but your eyes roll
G **F**
I know I said things that I didn't mean
Am **G**
We've never been good at apologies

[Chorus]

F **Am**
So just lay close to me
G
We don't have to say sorry
F **Am**
Your touch still speaks
G **C**
Words are too heavy

F **Am**
So don't just breathe
G
Even though we feel broken
F **Am** **G**
Sometimes love is unspoken

[Verse 2]

F **Am**
Bullets from the tongue always hurt more
G **Em** **F**
We both know the heart's not bulletproof
Am **G**
I know where to aim when I want to
Dm
And maybe we're not perfect right now
Am **G**
But I know we will figure this out

[Chorus]

F **Am**
So just lay close to me
G
We don t have to say sorry
F **Am**
Your touch still speaks
G **C**
Words are too heavy

F **Am**
So don t just breathe
G
Even though we feel broken
F **Am** **G**
Sometimes love is unspoken

[Interlude]

C Dm Am G Dm Am G (x2)

[Chorus]

F **Am**
