My Heart Might - by Wendy Bucklew

F **C**
I would never startle the fawn with my eager affection
Bb **F**
Overstay my welcome die for attention
Gm **F** **Bbmaj7**
But my heart might mmmmmm my heart might
F **C**
And I would never spill a drop or dance with two left feet
Bb **F**
And I would never lose my temper or forfeit a good night s sleep
Gm **F** **Bbmaj7** **Gm**
No, but my heart might mmmmmm my heart might
F **C**
With all of my might I am trying not to love
Bb **F**
But with all of my might I already do
C **Bb** **F**
I m keeping my hands in my pockets and my heart off my sleeve
C
Because when you love with the numbers
Bb **F** **Bbmaj7** **F** **Bbmaj7**
The words sound so weak ouuuuu yeah

I would never gawk at the grace of your hands as they push your point across
Or kiss your neck mid conversation I would never be so obvious
No, but my heart might mmmmmm my heart might

And I would never be demanding or at a loss for words
And I would never drive unsafely or make any wrong turns
But my heart might mmmmmm my heart might
With all of my might I am trying not to love you
But with all of my might I already do

I m keeping my hands in my pockets and my heart off my sleeve
Because when you love with the numbers the words sound so weak ouuu yeah

I would never startle the fawn with my eager affection
Overstay my welcome or die for attention
But my heart might mmmm my heart might.
